# Changing the World One Child at a Time

## The Purpose of Door of Hope Foundation

- To bring the hope of Jesus Christ to facilitate charitable works that will enhance the welfare of the neediest and most vulnerable children in the world.
- To provide each orphaned, needy or deprived child with the opportunity to develop mentally, emotionally, spiritually, economically, socially and physically by applying the principles found in the word of God.
- To encourage, develop, and train destitute children to have a global awareness and competitive skill set to meet the current and future needs of their communities and society.

**Door of Hope Foundation (DHF)** focuses on the spiritual, physical, economical and social needs of children:

- **Christ Centered:** Each child has an opportunity to hear the gospel in an age-appropriate and culturally relevant way.
- **Child Focused:** Engaging each child as a complete person, we treat children like we would want our own children treated.
- **Church Based:** We partner with churches, parents and communities to teach, train and mentor children.
- **Committed to Integrity:** We are dedicated to delivering excellent programs with complete integrity.

*Matthew 25:35-36, 40: "For I was hungry and you gave Me something to eat, I was thirsty and you gave Me something to drink, I was a stranger and you invited Me in, I needed clothes and you clothed Me, I was sick and you looked after Me, I was in prison and you came to visit Me... The King will reply, 'Whatever you did for one of the least of these children of Mine, you did for Me'"*

## Door of Hope Foundation Partnership

- **Partnership with National Churches:** DHF partners with indigenous national churches to establish the local Door of Hope Child Development Centers to carry out day-to-day tasks that affect children's lives. These team members have: God's calling, an understanding of the vision of DHF, acquired necessary skills and motivation for ministry to carry out effective child development tasks.
